

SERVICEGARD Package..... \$899*

Includes:

- On-farm Inspection of cart within 50 km of store
- Inspection of air tank, lids and seals
- Inspect auger, conveyor and fan
- Inspection of seeding tool, hoses, and towers
- Inspection and service of metering rollers (up to 3) and housing
- Greasing of unit and lube chains
- 1 can of spray lubricant, 1 can of electrical contact cleaner and 4 tubes of multi purpose grease
- Written estimate to repair items found during inspection, including meter roller ramps, brushes, segments and more.
- Written estimate to upgrade to new tower style kits
- **90-Day parts and labor warranty*** on all work completed

Notes: Air seeder unit should be connected to a tractor so proper inspection can be completed.

Monitor and electrical should be connected so we can test electrical and hydraulic functions, clutches, meters and more.

Additional charges may apply for tanks not being clean, seized meter components, half width disconnects, auger or conveyor components.

Additional travel may apply if additional trips are required to complete all repairs or tower upgrades.

*Prices are suggested retail prices only and are subject to change without notice at any time. Dealer may sell for less. Taxes, setup, delivery, freight and preparation charges are not included. See dealer for details. *90 days starts at first use. Only available on units receiving a ServiceGard certified decal.
