

# **ENNS** **BROTHERS**

## **Enns Brothers is Proud to Support the Equine Industry with the National Equine Program.**

These programs are available to members of organizations that John Deere has sustained a long-standing relationship. Discounts are provided toward the purchase of a variety of select John Deere and Frontier products from Lawn & Turf Care, to Agricultural equipment and Gators.

If you are a member of **Equine Canada, AQHA, Manitoba Horse Council**, or other qualifying Equine organizations, call your local Enns Brothers location for full details.

**Examples:**

### **Equine Canada or Manitoba Horse Council Members:**

It all begins by calling the toll-free number (1-800-965-6872), where Equine Canada will work with you & Enns Brothers to make sure you receive the proper savings

**Agricultural Equipment – save up to 23% off list price** on select models of new agricultural farm equipment (Full-time equine operations only)

**Lawn & Garden Care – Discounts or coupons** are now available toward the purchase of a variety of John Deere equipment including: select lawn and garden tractors, riding mowers (starting at X300 series and up), Gator utility vehicles, commercial mowing equipment, and compact utility tractors.

Call (1-800-965-6872) today for your discount coupon.

**AQHA Members:**

**Option 1 – Coupon\***

- Available to all AQHA members.
- Call toll free (866) 678-4288 to get your coupon. Make your best deal with your dealer, then present the coupon.
- Coupon can be used with any low-rate financing John Deere credit has to offer.
- Available in US and Canada, but there are different coupons. Call to get your coupon.
- Coupon can be used with all other incentives.

**Option 2 – Discount Program\***

- Up to 23-percent off.
- Available for full-time horse operations, professionals, breeders and trainers.
- List price discounts off of retail.
- Customer is responsible for freight and setup.
- Financing through John Deere financing using standard rates.
- Available in US and Canada.

*\*The two programs can not be combined.*
