

Parts-on-Site Consultation.

With Parts-on-Site, you can ensure you have the parts you need at your fingertips when you need them. Reducing the need for emergency trips or after hours calls to the dealership. Participants can also take advantage of NO Interest and NO Payment programs for 90 days, taking you through the critical season of use.*

Consultation includes:

- *24 month Parts purchase history / high-low report of parts purchases.*
- *Identify fast moving, and wear components that are specific to the machine in an inspection, or to your whole fleet.*
- *Identify Regular service items such as belts, chains, guards, oils, filters, grease, etc*
- *Identify other items such as cleaners, lubes, fuel conditioners etc.*

Depending on the volume level of the order, we can also offer special discounts or programs on a dedicated a Parts-on-Site cabinet for your farm workshop.

*Regular stocked parts may be returned or exchanged for a credit, based on our parts return guidelines.***
